

Guide Price

Prices valid to January 2024

Our guide prices include all flowers, foliage, sundries & labour. It is important to note Flower prices increase significantly at popular times such as around valentines, mothers day and Christmas, which will affect the prices below.

Mileage is £0.75 per mile for outward/return journeys. If the venue requires a 'midnight' take down, additional labour charge applies. Hire items are individually priced with a fully-refundable breakages deposit based on the replacement value of the hired items
